

ALL PURPOSE OIL TRANSFER PUMP

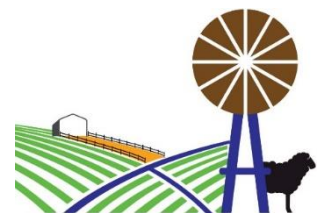

- The MAOP20 All-Purpose 20L Oil Transfer Pump is designed for dispensing most service fluids including engine, gear, transmission, hydraulic and some engine coolants from 20L - 25L drums.
- An extendable suction tube and two additional bung adaptors ensure that the expanding range of different size and types of drums are easily catered for.
- Delivery on the down-stroke makes this pump easy to use especially when the drum is low on fluid.
- An extra-long clear delivery hose gives easy identification of the fluid type and allows better reach into difficult areas.
