K29 FLEXIGUN® 450G GREASE GUN

- The K29 FLEXIGUN® is a classic grease gun that incorporates a unique variable stroke piston and valve arrangement for true one-handed operation.
- The push in handle is easy to use and requires much less effort to operate.
- Increased pressure can be produced by short strokes (low volume) or high volume using a long stroke (low pressure).
- Heavy duty pistol grip construction with comfortable ergonomics to suit 450g grease cartridges, bulk filling or Macnaught J3 grease transfer pump loading.
- The K29 is fully repairable with a strong die cast head and heavy gauge steel barrel for extra long service life.

KEY FEATURES
