

Fast, Safe, Reliable.

The world's #1 selling woolpress.

Aussie Xpress

Capable of Pressing 90 bales of wool a day, the Aussie Xpress handles a 10-stand shed with ease. Unique automatic side pinning results in short square contamination free bales and the quiet powerful hydraulics ensure more wool into fewer bales.

KEY FEATURES

- Renowned reliability – preferred press of contractors.
- Fast Pressing Time
- Cycle Time of 12 to 16 seconds in high quality yielding wool to 200kgs.
- Swift pack Locking System.
- Automatic Side Pinning – ensures contamination free.
- Low overall height.
- Low travel height.
- Extra Low box height – a better filling height.
- Single Hydraulic cylinder – greater pressing power.

NEW:

- Safety screen guard, complete with automatic return & operational instruction sticker.
- Jockey Wheel steering handle for smooth & easy movement around the shed.
- Soft Start in 240volt models
-

SCALES:

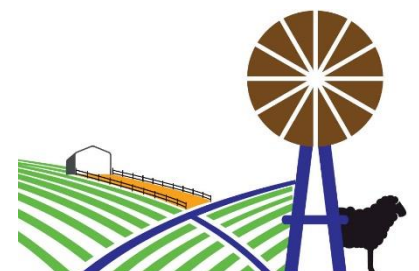

- Complete with the latest digital scales
- Advanced reliable electronic weighing system
