

# EAR TAGS

*Sheep tagging is standard practice worldwide, but most people are unaware of the more common issues with tagging. Sheep tags are required to be used in a range of stock environments, from grazing to transit, and the need for good, reliable tags is therefore a high priority.*

## KEY BRANDS

- Tally: Swinger Tags
- Leader
- Allflex
- Stockbrands
- Ztags (Tru-test)

**Tally / Swinger Tags:** Our tags are designed to sit firmly in place, with minimal risk of loss, removal, or damage issues, due to our tag manufacturing methods. We put a very high emphasis on quality and practical value so you'll rarely need to re-tag or have problems with identification.

**Leader Tags:**  
Over 30 Different Livestock Identification Tags. Cattle, Sheep, Goats, Pigs and Deer. Visual and Electronic ID Tags. All of our livestock identification products are produced to comply with global standards.
